# IN AGED CARE

## Quality Care. On Demand.

With Limelight People, you're not "just a temp." You're a trusted professional, backed by a team that values your skills, your time, and your wellbeing.

If you're looking for purpose-driven work, flexibility, and a team that truly supports you, becoming a Limelight People aged care temp worker is the perfect next step.

### Real support from real people

Our team is responsive, friendly, and committed to making every shift smooth and stress-free.

### Flexibility that fits your life

Choose when and where you work—perfect for balancing study, family, or other commitments.

### Easy App for Shifts & Time Tracking

User-friendly app to onboard, staff to manage your shifts, clock in/out and more.

### Great rates + reliable shifts

We offer competitive pay and consistent work with reputable aged care providers.

### Make a difference every day

You love working in aged care, helping residents feel safe, connected, and valued. It's work that truly matters.

**Biji  
Aged Care RN**

“I have had the privilege of working with Dan for several years now, and I must say it has been an exceptional experience. Dan has consistently demonstrated professionalism and helpfulness, making every interaction pleasant and productive. Highly recommend”

Biji - Aged Care RN

★★★★★

limelight people.

We are proud to be the preferred advisors and suppliers across a number of Aged Care providers throughout Australia.

Limelight has done so by focusing and dedicating a lot of time on key clients and giving huge focus and dedication across all aspects of their organisation.

The results we have been able to achieve by really focusing and forging relationships with a handful of our key clients has proven that this ability to foster a close partnership works.

**Preferred Aged Care Suppliers to:**
